

## VVF: Village Vacances Familiales

The VVF is situated at the entrance to the town, within walking distance of the Château and the restaurant. Its directrice has agreed to keep the Village open for the weekend of the conference.

There are many bungalows housing 5 or 8 people each. Bathroom, kitchen/dining area.

The bungalows for 5 persons cost 47 euros a day; those housing 8 cost 53 euros a day.

At full occupancy, that comes comes to less than 10 € a day per person.

Each bungalow has one room with a double bed, and varied single or bunk-bed options.

Rental is available for sheets (4,10 €) and towels (3,20 €).

The Sainte-Suzanne VVF has no website of its own, and the general site is impractical. Those wishing to reserve places at the VVF should contact me, indicating lodging preferences. Final details will be consolidated closer to the Conference date.
